INTEGRATED SECURITY GROUP (ISG) EARNS UNDERWRITERS LABORATORIES UL 365 BANK, SAFE, & VAULT LISTING.

Meriden, Connecticut (November 1, 2010) Integrated Security Group (ISG), a leading provider in the security industry has earned the Underwriters Laboratory (UL) Listing 365 which covers the Bank, Safe, & Vault category.

The CPRH Listing allows ISG to install, maintain and service alarm systems certified as Bank, Safe & Vault in addition to ISG's other UL Listings for Mercantile Security & Fire Alarm (UL681), National Industrial Security Systems (UL2050), Residential Burglar Alarm (UL1641) and now Bank, Safe & Vault (UL365).

"There are very few companies on the local or national level that currently service and support this region with the commitment and dedication to the UL Standards of excellence that ISG has committed itself to" said ISG President Harry J. Azano.
